### MINOR CONDITIONAL USE PERMIT (MCUP)

APPROVAL BY DIRECTOR

DEPARTMENT OF DEVELOPMENT SERVICES 10601 Magnolia Avenue Santee, CA 92071 (619) 258-4100, Ext 167

## THIS PACKAGE PROVIDES AN OVERVIEW OF THE MINOR CONDITIONAL USE PERMIT PROCESS FOLLOWED BY THE SUBMITTAL REQUIREMENTS AND APPLICATION FORMS

#### PURPOSE:

The Santee Municipal Code states that a minor conditional use permit (MCUP) be issued for a use that requires some discretionary approval in order to preserve the aesthetics, public health, safety, and welfare. These following rules reference Section 13.04.110, Section 13.06.030, and Table 13.10.030A, 13.12.030A, 13.14.030A, and 13.22.060A of the Santee Municipal Code. Listed are the following cases where a minor conditional use permit is required:

Residential Districts (HL, R-1, R-1A, R-2, R-7, R-14, R-22, and R-30):

- Auxiliary structure in single-family residential greater than 800 square feet gross floor area or more than 40% of living area of primary residence. (HL, R-1, R-1A, R-2, R-7, R-14, and R-22) (not permitted in R-30)
- Temporary trailers for use in conjunction with institutional and agricultural uses for a specified interim period. (all districts)
- Biological habitat preserves mitigation for projects within city boundaries. (all districts)

Commercial Districts (Office Professional = OP, Neighborhood Commercial = NC, and General Commercial = GC):

- Class instruction associated with art, music, and photographic studios and/or supply stores.
   (all districts)
- Automotive washing service (coin and automatic) for trucks, motorcycles, boats, trailers, mopeds, recreational vehicles, or other similar vehicles as determined by the Director. (NC)
- Arcades (more than five amusement devices) in a neighborhood commercial district and general commercial district. (NC and GC)
- A farmer's market. (NC and GC)
- Home improvement centers with outdoor storage of material such as lumber and building materials. (GC)
- Kiosks for general retail and food sales, key shops, film drops, automatic teller machines, etc. in parking lots. (all districts)
- Nurseries and garden supply stores with outdoor storage and supplies. (NC and GC)
- Biological habitat preserves mitigation for projects inside City of Santee boundaries. (all districts)

• Clubs and lodges, including YMCA, YCWA, and similar group uses without alcoholic beverage sales. (all districts)

### Industrial Districts (Light Industrial = IL and General Industrial = IG):

- Storage trades with contractor's yards. (IG)
- Fleet Storage. (both districts)
- Vehicle storage yard. (IG)
- Athletic or health clubs. (IL)
- The sales and rentals of automobiles, trucks, motorcycles, boats, mopeds, recreational vehicles, or other small vehicles as determined by the Director. All vehicles shall be stored on-site and shall not occupy any required parking space, access aisle, or landscape area. (IG)
- Home improvement centers with outdoor storage of material such as lumber and building material. (IL)
- Tobacco paraphernalia business. (IG)
- Biological habitat preserve for mitigation for projects inside City of Santee boundaries. (both districts)
- Clubs and lodges, including YMCA, YWCA, and similar group uses without alcoholic beverage sales. (IL)
- Outdoor storage. (both districts)

### Mixed use overlay (MU) districts:

- Animal care facility, small animal only (animal hospital, veterinarian, commercial kennel, grooming) excluding exterior kennel, pens, or runs.
- Art, music, and photographic studios and/or supply stores with class instruction.
- Kiosks for general retail and food sales, key shops, film drops, automatic teller machines, etc. in parking lots.
- Biological habitat preserves with mitigation for projects inside City of Santee boundaries.
- Library.

#### Nonconforming uses and structure:

 An MCUP can be granted for a nonconforming structure given that the expansion or reconstruction does not extend the expected life of the use or structure, and it will not be detrimental to the public health, safety or welfare, or materially injurious to properties or improvements in the vicinity.

### SUBMITTAL CHECKLIST 1 Application:

١.	Application	<u>)                                    </u>
	a	Completed and signed Minor Conditional Use Permit Application Form
	b	Environmental Information Form
	c	Sewer & Water Availability Forms (signed by Padre Dam Municipal Water District). Print forms at <a href="http://www.padredam.org/242/Development-Services">http://www.padredam.org/242/Development-Services</a>
	d	Storm Water Intake Form <a href="http://www.cityofsanteeca.gov/index.aspx?page=585">http://www.cityofsanteeca.gov/index.aspx?page=585</a>
	e	Hazardous Waste Statement
	f	Ownership Disclosure Statement
2.	Plans: (E sets 11")	ight copies 24" x 36" - collated, stapled and folded in sets to $8\frac{1}{2}$ " X 11" size and two ( 17")
	a	Site plan showing all existing easements on-site and all structures, uses, and driveways within 100 feet of the subject property.
	b	Building elevations (with callouts showing building materials and colors to be used).
	C	Preliminary landscape plan.
	d	Preliminary grading plan (showing all cut and fill areas, pad elevations, slope heights, and retaining walls) and improvement plan.
	e	Preliminary floor plan.
	f	PDF copies of plans on a disk/thumb drive
3.	Title Rep	<u>ort</u>
	a	Three (3) copies of current (not more than six months old) Preliminary Title Report and Grant Deed. The Preliminary Title Report shall have a copy of each easement referenced in the report.
4.	<u>Technica</u>	Studies / Special Exhibits (as required - three copies of each)
	a	Geotechnical report
	b	Drainage study
	c	Storm Water Management Plan
	d	Preliminary Biology Report prepared by a certified Biologist
	e	Traffic Impact Study
	f	Hydraulic Analysis prepared in accordance with the City of Santee Flood Study. ( <i>This is only for projects that are located within the floodplain</i> ). Please contact the Engineering Division at (619) 258-4100 x 168 for questions regarding the Hydraulic Analysis.
	g	Any other technical studies, documents, etc. as requested by the Department of Development Services.
	h	A PDF copy of all technical reports in PDF format on a disk/thumb drive.
	i	Color and materials board showing samples and manufacturer's callouts of building materials (size 11" X 17").

5.	<u>Pu</u>	blic No	<u>tice Package</u>
	a.		One (1) set of San Diego County Assessor's map(s), prepared by a professional company employed to perform this function, marked-up showing the entire property outlined in red with a green line encircling the property at a distance of 300 feet from the property line. Each parcel lying wholly or in-part within the 300 feet shall have its Assessor's number colored yellow with a "highlighter" pen or yellow colored pencil. Assessor's maps must be 11" x 17" (full size) at true scale and not reduced.
	b.		Two (2) sets of mailing labels and one (1) copy of mailing labels in the standard mailing address format (Avery Template 5360). The list of labels shall be prepared by a Title Company. The typed list must include all affected property owner's parcels highlighted in yellow as above; by Assessor's Parcel Number with names and address. The addresses must be the property owner and not the leaser or renter. In addition, the mailing list shall include the name and address of the subject property owner, applicant, and the agent or individual responsible for the request.
	C.		If a mobile home park and/or a multi-family residential development are located within the 300 foot radius of the project site, an additional mailing label shall be provided for the occupant. The label shall be addressed to "Occupant" and shall include the Assessor's Parcel Number and address. <i>Contact staff to verify this requirement</i>
	d.		Envelopes and stamps are not required. Costs associated with the required public mailing/noticing will be charged to the project deposit account.
6.	<u>Sp</u>	ecial R	equirements for Wireless Communications Facilities (13.34.020 SMC)
	a.		Visual Impact Demonstration. Photo simulations, photo overlays, scaled models that adequately demonstrate the visual impact of the facility. A map shall be provided that shows the location of the wireless communication facility and a keyed location of the site of every photo simulation.
	b.		Provide a map and narrative description explaining the site selection process including information about other sites considered and the reason for their rejection.
	C.		A report listing the effective radiated power generated by the proposed facility and that the facility, as proposed, meets the FCC guidance and regulations for electromagnetic radiation.
	d.		The plans shall show all other wireless communications facilities on the property and those within 100 feet of the site. Describe the cumulative effects.
	e.		Noise study for any stand-by or emergency generators and other equipment as identified by staff.
7.	<u>Fe</u>	<u>es</u>	
	a.		Minor Conditional Use Permit Application Fee
	b.		Application for Environmental Initial Study Fee

Site Location:
